Matters Arising

Garden Share Scheme: This is now having national coverage via River Cottage (Hugh Fearnley-Whittingstall, et. al.) and we would not be promoting it ourselves.

2009 Trip: 12th - 14th June. Thanks expressed to Loveday for organising the trip - the best yet! All went very smoothly - 4 gardens visited in 2 days and much enjoyed.

Treasurer's Report

We have £485 in the bank. High balance is due to not having had many meetings in the Hall, although the insurance and the Hall would be paid at the end of the year. We have about 60 members. Sue & Loveday to check and send copy to Committee members.
